

As you will see on the book list, you are asked to read a minimum of three books this summer. The required book, *Bud, Not Buddy* by Christopher Paul Curtis, is our first book of the school year, so I recommend that you read it towards the end of the summer. You will be given questions on the book during the first week you are in school, so it is best to have the book fresh in your head. Also, it is best to own this book so that you can bring it to class as well as annotate as you read. Follow Bud on his journey to find family.

Please fill in the chart below. You are encouraged to read throughout the summer. \*Aside from *Bud, Not Buddy*, you must read two other books. I suggest you choose from the list. Please bring this reading log in on the first day of school.
