

Mrs. K Reader

As you will see on the book list, you are asked to read a minimum of three books this summer. The required book, *The Omnivore's Dilemma: The Secrets Behind What You Eat, Young Readers Edition* by Michael Pollan, is our first book of the school year, so I recommend that you read it towards the end of the summer. You will be given questions on the book during the first week you are in school, so it is best to have the book fresh in your head. Also, it is best to own this book so that you can bring it to class as well as annotate as you read. Please pay special attention to how Mattie grows up during the book.

Please fill in the chart below. You are encouraged to read throughout the summer. *Aside from *The Omnivore's Dilemma*, you must read two other books. Please choose from the list. Please bring this in on the first day of school.
